Saporito® Puree is the thicker, bolder version of Full Red® Puree. Created for cooks who prefer deeper, more “simmered” tomato flavor in their finished sauces, we thicken Saporito® considerably longer than Full Red® in our proprietary ultra-low heat evaporators.

For greater fresh aroma “pop,” consider using two cans of Tomato Magic® or two cans of 74-40® Tomato Filets® for every can of Saporito® Puree instead of adding water.
